

Aviva Accepts Pandemic Insurance Coverage for BC Dentists

The British Columbia Dental Association (BCDA) is pleased to confirm that Aviva, insurer of TripleGuard™ pandemic coverage in BC, **has agreed to pay TripleGuard™ pandemic coverage claims to BC dentists as per the process in place for all other Canadian provinces.**

BCDA is very pleased with the outcome and acknowledges the collaboration and extraordinary efforts of the BC Government, Aviva, and CDSPI to resolve the issue for our members. Access to this coverage helps 60% of all dental offices across BC weather the multi-layered storm of this pandemic as they continue to support their patients.

As the voice of dentistry in BC, BCDA is dedicated to serving the interests of its members and promoting oral health for all British Columbians.
